PROPS

Business Enterprise

The Props Business Enterprise produces a range of digitally printed colour bespoke signs, banners, canvas and specialist applications on wide format eco friendly equipment. Our students work in partnership with tutors and field leaders to ensure first class quality

Banners and Signs

Vinyl banners and signs can be designed inhouse or be printed from your own artwork. Weather proofed, studded and hemmed.

Corporate Wear

In partnership with Ballyhoo clothing we are able to offer a range of personalised T shirts, Polos, Hoodies and Sweats. Corporate, teams, Hen and Stag nights all welcome!

Canvas

We can turn your favourite pictures into portrait canvas. Canvas size can be personalised and we offer a photography service to those who want to create that special image.

Vehicle and Magnetic Signage

Sign your vehicle for maximum trade exposure. We can design supply and apply your vehicle signage, including full colour vinyl prints. For temporary vehicle signage, magnetic strips may be the answer. Also fridge magnets and memo board items made to order.

Exhibition and Display

We can coordinate your existing corporate image or create new initiatives to maximise your impact at events create the company image you desire.

Labels and Stickers

We can quickly supply self adhesive labels on a variety of materials. Our flexibility allows for minimum print runs of less than a metre

Window Graphics

A variety of colour and photographic signage can be used to promote specific products and services on glass surfaces. These present excellent opportunities for corporate branding.

Contact Props at the Vassall Centre for a competitive quote for all signage and personalised clothing requirements:
